NCUA Revises October Board Meeting Agenda

October 19, 2010, Alexandria, Va. -- The National Credit Union Administration (NCUA) Board meeting agenda is being revised to add an additional item to the open session: Briefing – NCUSIF Public Education Campaign.

The revised agenda for this week's meeting is available online at <http://www.ncua.gov/GenInfo/BoardandAction/Calendars/Meetings/2010.aspx>.

The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of over 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.
