NCUA Schedules Closed Board Meeting

August 27, 2010, Alexandria, Va. -- The National Credit Union Administration (NCUA) Board today scheduled a closed Board meeting for Friday, September 3 at 11:30 a.m.

The agenda is available online at
<http://www.ncua.gov/GenInfo/BoardandAction/Calendars/Meetings/2010.aspx>.

The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, also operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of over 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.
